Your Corporate Business Guide

July 2016

Tax Reforms in Greece

The Hellenic Parliament, with the purpose of meeting the financial targets of the third bailout program, adopted the new Laws 4387/2016 and 4389/2016 by virtue of which significant changes have been introduced to the Hellenic Tax Regime.

About Eurofast

Eurofast is a regional business advisory organisation employing over 200 people in South East Europe and East Mediterranean. The organisation is managed by a team of professionals capable of addressing all client needs in all the countries of operation in the Region in one single meeting, using one single language for all the countries involved. The fact that all local Eurofast companies are fully fledged subsidiaries of Eurofast enables us to implement and maintain a uniform region-wide management policy with the same client focused approach and partner led personal service.
